## QR CODES

[← Back to Locations](#)

### QR Codes for All Locations

Hawken Engineering Building

Forgan Smith Building

UQ Sport Fitness Centre

## PREFERENCE

I personally prefer **QR Code scanning** for testing (I used android physical devices – listed in README file)

## DEVICES TESTED

This app is tested on 2 Android physical devices, Samsung Galaxy S22 Ultra and Samsung Galaxy S24 Ultra, via [[Expo Go](https://expo.dev/go)](https://expo.dev/go) app downloaded via Play Store.
